Hi Friends,
As you know I work with a local non profit called the LightHouse for New Hope grief support center. The Light-House is a great organization that support children and their families during their most difficult times of grief and loss.

I'm participating in their annual BOWLING-THON in April and I'm looking for some support! You can help me raise funds by donating to my team, you can join my team (5 members), or start your own team of 5 bowlers! And you don't have to be a professional to bowl! It is just a fun day to spend with family and friends. I appreciate your support and together we are making a difference!
