Dear Lighthouse friends,

We are excited to announce our next volunteer facilitator trainings on January 19th and January 20th. You have shown an interest in The Lighthouse for New Hope and we want to invite you to attend one of the trainings. The schedule is listed below. We need to know by Wed., January 16th, if you will be attending, so we can have training manuals available and the number of lunches we will need to order for Saturday. We are asking for a volunteer donation to cover the cost of the lunch, training manuals, and criminal background check (for people working with the children).

The training will include information on understanding adults and children's grief and how to facilitate a support group. This training can be helpful for pastors, funeral directors, school teachers, counselors, or anyone who works with children and adults that have experienced a significant loss.
