Note from Nancy

***"Be joyful always,
pray continually,
give thanks in all
circumstances"***
1 Thessalonians
5:16-18

It is real easy to give thanks and be joyful when everything is going good in our lives, but when your world experiences a tremendous loss and darkness surrounds you, it is difficult to "give thanks" and you wonder if you will ever feel "joy" again. The Apostle Paul had experienced difficult circumstance and still understood the power of being thankful even on those dark days.

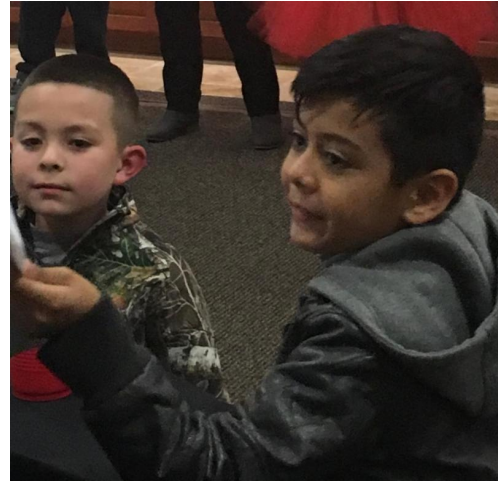

At this time of the year when the Lighthouse phone rings and I hear another tragic loss that a child is experiencing my heart hurts for them. Then I feel such thankfulness that the LightHouse for New Hope is here to support these families. And so thankful for each of you that volunteer, or pray for this ministry or partner with us financially.
