

LightHouse
For New Hope

GRIEF & LOSS CENTER

MERRY

Christmas!

*Note from Nancy
President*

For God said "Let Light shine out of darkness." 2 Cor. 4:6

It always amazes me how much light a candle sends out when it is pitch black. Light is something that I take for granted until all of the sudden I lose my electricity and darkness surrounds me. I quickly begin to search for a flashlight or candle so I can have light, I need to be able to see. When everything is going well in your life you really don't seem to seek light, but as soon as someone important in your world is not there anymore, darkness consumes you.....you

are seeking to find the Light in your storm. The LightHouse for New Hope brought Light to a:

A mother who lost her only child

A young boy whose Mommy was killed in a car accident

A young girl whose Daddy died from an cancer

A teenager trying to understand a parent's decision to end their life

A teenager struggling with the untimely death of his brother

A young girl experiencing her parent's decision to separate

A older gentleman whose spouse died after many years of marriage

For many of those families that we have the privilege to serve this will be the first holiday season that their loved one will not be there to celebrate with them. Darkness will try to come, but there is a Light that has come into the world to dispel their darkness.

My prayer for each of you is that the Light of the World, Jesus the Christ, will shine into your hearts during this Christmas season and you will feel the warmth and love of God in a special way.

Spring 2018 Session

Our next support group session will begin on Tuesday, January 23rd for all groups and an adult only Wednesday morning group to start on January 24th.
