Note from Nancy

There is surely a future hope for you, and hope will not be cut off."
Proverbs 23:18

This Proverb is a promise that the LightHouse for New Hope brings to all those families that come to us for support. It may seem that suicide is on the rise when we hear of celebrities choosing to end their lives. In reality the darkness of depression has always haunted many people, both adults and children. In our summer groups we have children and adults who are trying to cope with the suicide death of their loved one and many struggle with those thoughts themselves. One of my greatest "Joys" is when a child or adult tells me they don't have those thoughts anymore.

The LightHouse for New Hope is once again participating in North Texas Giving Day.
